Dear Hopatec,

Dubai Cares, part of Mohammed Bin Rashid Al Maktoum Global Initiatives, is a UAE-based global philanthropic organization working towards providing children in developing countries with access to quality education. We believe education is more than a human right; it is an irrevocable asset.

Education is one of the most effective tools to break the cycle of poverty, a belief held by our founder His Highness Sheikh Mohammed Bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai. It was from this belief and the desire to give children - regardless of their gender, nationality, race or religion - that His Highness established Dubai Cares on September 19, 2007.

We are pleased to be Hopasports' charity partner, and we authorize Hopasports to collect funds for Dubai Cares through their website. All funds, in their entirety, will be used to support Dubai Cares' efforts to provide children in developing countries access to quality education.

Sincerely,

Amal Al Redha
Director of Fundraising
