Dear Hopatec,

The King Hussein Cancer Foundation- Governing Body (The Foundation) is an independent, non-governmental, not-for-profit institution founded in 1997 by Royal Decree to combat cancer in Jordan and the Middle East region.

The charity's work includes fundraising and development, supporting patients, a cancer care coverage program and a prevention, awareness and early detection awareness program. All donations and contributions from the KHCF fundraising programs and activities are channeled to help achieve the following goals: upgrading the medical capacity of the King Hussein Cancer Center (KHCC), supporting patients, and supporting public awareness and early detection programs.

We are delighted to be the official charity partner of Hopatec, the official providers of Hopasports. This is to confirm that Hopasports is authorized to collect charitable funds solely through their website (www.hopasports.com) on behalf of King Hussein Cancer Foundation to support our work in the areas of cancer treatment.

The funds raised will go towards equipping KHCF with the latest medical equipment, both for diagnostic and treatment purposes. For more information on King Hussein Cancer Foundation, please visit www.khcf.jo

Kind regards,

Nisreen Qatamish
Director General
