Dear Hopatec,

The Laureus Sport for Good Foundation's goal is to help young people overcome the limitations imposed by challenging social issues including poverty, homelessness, war, violence, drug abuse, discrimination and AIDS. To do this Laureus supports and assists a worldwide programme of sports related community projects that have been working to educate children, protect the vulnerable from illness and even bring people from divided communities together in friendship for over ten years.

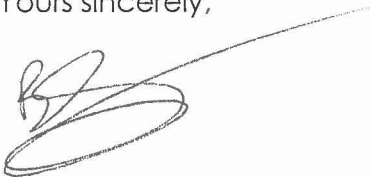

The Laureus Sport for Good Foundation's ultimate goal is to help less fortunate people enjoy a better life through the power of sport. This goal is being pursued all year round through a family of projects that Laureus supports worldwide.

All donations and contributions from the Laureus fundraising programs and activities will be supporting the programmes in South Africa.

We are delighted to be the official charity partner of Hopatec, the official providers of Hopasports. This is to confirm that Hopasports is authorized to collect charitable funds solely through their website (www.hopasports.com) on behalf of Laureus Sport for Good to support our work in the areas of cancer treatment.
